## When you visit us, here is what you will find:

**A great location!** A hometown ideally located on Interstate 87 in Saratoga County, New York, 10 miles south of historic Saratoga Springs and 20 miles north of Albany, our State's capital. Malta is midway between Boston, Montreal, Buffalo and New York City.

**A vibrant economy!** Anchored by the Regional Headquarters of State Farm Insurance Company, the Home Office of Stewart's Ice Cream Company, Racemark International and the multi-use Malta Commons Business Park.

**A "Family Town"!** Inhabited by 12,500 citizens enjoying the quality of life a small town offers, such as quiet neighborhoods, two large recreational parks, and highly acclaimed school systems.

**Low Taxes!** Saratoga county carries the lowest property tax rate per capita of any county in the State and Malta has not had a General Town tax for the last 15 years. The Town is efficiently operated on a pay-as-you-go basis with no long-term debt.

**Tourist Attractions!** Easy access to places of interest in a County known for its Health, Horses and History. See where the Battle of Saratoga was fought, be entertained at the Saratoga Performing Arts Center and enjoy the fast pace of the Saratoga Race Track.

**The Village of Round Lake!** Listed on the State and National Historic Register, this quaint community of Victorian architecture is home to many cultural events at the Auditorium and an Annual Antiques Festival (June) and Arts & Crafts Fair (August).

# Malta Town E-Code Book

## RETURN TO TABLE OF CONTENTS

The Town of Malta has, over the years, passed through a process of legislative change common to many American communities. While only a few simple laws were necessary at the time of the establishment of the town, subsequent growth of the community, together with the complexity of modern life, has created the need for new and more detailed legislation for the proper function and government of the town. The recording of local law is an aspect of municipal history, and as the community develops and changes, review and revision of old laws and consideration of new laws, in the light of current trends, must keep pace. The orderly collection of these records is an important step in this ever-continuing process. Legislation must be more than mere chronological enactments reposing in the pages of old records. It must be available and logically arranged for convenient use and must be kept up-to-date. It was with thoughts such as these in mind that the Town Board ordered the codification of the town's legislation.

Division of Code. The Code is divided into parts. Part I, Administrative Legislation, contains all town legislation of an administrative nature, namely, that dealing with the administration of government, that establishing or regulating municipal departments and that affecting officers and employees of the municipal government and its departments. Part II, General Legislation, contains all other town legislation of a regulatory nature. Items of legislation in this part generally impose penalties for violation of their provisions, whereas those in Part I do not.

Grouping of Legislation and Arrangement of Chapters. The various items of legislation are organized into chapters, their order being an alphabetical progression from one subject to another. Wherever there are two or more items of legislation dealing with the same subject, they are combined into a single chapter. Thus, for example, all legislation pertaining to the regulation of streets and sidewalks may be found in Part II, in the chapter entitled "Streets and Sidewalks." In such chapters, use of Article or Part designations has preserved the identity of the individual items of legislation.

Table of Contents The Table of Contents details the alphabetical arrangement of material by chapter as a means of identifying specific areas of legislation. Wherever two or more items of legislation have been combined by the editor into a single chapter, titles of the several Articles or Parts are listed beneath the chapter title in order to facilitate location of the individual item of legislation.

Disclaimer - The Town Code of the Town of Malta has been placed on the Town's Web Page for convenience purposes only. The official copy of the Town Code of the Town of Malta is on file at the Town of Malta Town Clerk's Office.

### *A Brief History and Profile of The Town of Malta*

The Mohawk and the Mohican Indians were the first inhabitants of the Malta area, hunting and fishing along the banks of Round Lake, which was then known as Lake Tanendahowa. The earliest American settlement was believed to have been centered around a malt brewery, bringing about the name Maltaville and eventually Malta.

One of Malta's earliest settlers included Michael Dunning and his family who purchased a large plot of land around the year **1774**. This hamlet became known as Dunning Street. Mr Dunning set aside an open tract of land where the American militia would train annually. The troops fought in the Revolutionary War, the War of **1812**, and the Civil War. During the years when America was not at war the training was more of a social event where people could enjoy the company of far-away neighbors.

The Town of Malta was **not** officially established until 1802 when it became separate from the Town of Stillwater. Prior to this time, Malta was already home to several saw and grist mills as well as a woolen mill, many of which were powered by water from nearby streams. **In** addition, there were wagon and carriage shops, many inns, and two hotels.

The Round Lake area became popular in **1868** when several Methodist laymen purchased a tract of land on the West shore of the lake as a site for camp meetings. The Rensselaer and Saratoga Railroad Company erected a passenger station nearby to accommodate the area with transportation for both people and freight. **The** first week-long camp meeting attracted 8,000 people while the second, just one year later, drew 20,000. Preachers would speak from specially constructed stands while attendees sat on planks which were placed on stumps. **As** the years progressed the meetings became more educational and cultural although they remained primarily religious in nature. Several cottages were constructed as an option to sleeping in tents, and an auditorium was built for the meeting site. In 1888, the camp site acquired a wooden Ferris-Tracker organ, originally built in 1847, now

considered to be "the largest, oldest, three manual in existence". (See our Round Lake Village page for more information on how you can help to preserve this part of our local heritage).

Malta is located at exits 11, 12 and 13 of the Adirondack Northway (Interstate 87). It is in the center of Saratoga County, about 20 miles north of Albany, and 10 minutes south of Saratoga Springs. It is a residential community located close to the Capital District, yet it maintains the serenity of an upstate rural town.

Malta is the home to many businesses including the Corporate Headquarters of Stewart's Shops and the North Atlantic Regional Office of State Farm Insurance Company.

Lodging  
Camping  
Weather

The Indian Lake area includes Indian Lake and Blue Mountain Lake. Here you can get away from the hustle and bustle of city life, to sit back and relax to the peaceful sounds of water running and loons calling. A vast wilderness area offers you hiking, biking, snowmobiling, swimming and photographic vistas.

We are located in the center of the Adirondacks, where day trips to Lake George or Lake Placid are easy to make. Learn about Adirondack history at the world-renowned Adirondack Museum, or learn how to make Adirondack souvenirs at the Adirondack Lake Center for the Arts - or just go shopping at any one of our area shops. Look for the elusive moose as he meanders through the forest, or sit on the beach and breathe in the fresh air.

No matter what season you visit, there is always something to do. In the Spring, enjoy the challenge of a white water rafting trip in the White Water Capital of New York. Summer offers a feast of activities. With fall comes the scenery of vibrant colors and many special events. It can't get any more beautiful than wintertime with a fresh blanket of snow, when free downhill skiing, snowmobiling and cross country skiing are right out your door. Come and see for yourself; join us today for your vacation or weekend getaway.

# *The Experience*

Yours to discover when you visit  
**Indian Lake, Blue Mt. Lake and Sabael**

**Welcome to Indian Lake  
Blue Mountain Lake and Sabael  
We're Always in Season!**

## **We're your four-season vacation destination**

Located in the heart of New York State's Adirondack Park, with its many forests, lakes, and mountains. In the *Spring*, it's time for the rush of whitewater rafting, kayaking, discovering a

trillium in bloom, casting a line, or seeing a whitetail fawn.

*Summer* is filled with hiking, canoeing, fishing, boating, skiing, windsurfing and lots of time to relax and breathe

the fresh air of this true wilderness. Plan to visit a museum and historical Adirondack landmarks. Go to a festival, and search for treasures in our shops and galleries.

As any leaf-peeker will tell you, our region takes on a whole different color in the *Fall*. Celebrate with us when the rich green of summer turns to red and orange and gold. Spectacular foliage and crisp air are the backdrop as you hike, bike, picnic, and enjoy the scenery. Later on,

opportunities for hunters abound in this vast park preserve. Don't miss out on any of the wonderful sights and adventures of autumn in Indian Lake, Blue Mountain Lake, and Sabael.

When the last leaf falls, *Winter* is on its way. And when it arrives, Indian Lake, Blue Mountain

and Sabael become the perfect place for playing in the snow and finding warm hospitality. **Ski** down a slope, ride a snowmobile or a toboggan, catch the bumps on a snowboard, ice skate, snowshoe, ice fish, or cross country ski. Be sure to be here for our yearly Winter Festival, in 2002 it will be February 15, 16, & 17!

There's so much more. You'll find Indian Lake, Blue Mountain and Sabael a friendly community with a fine selection of lodging, restaurants, stores, businesses, services and a wide variety of attractions.

*The best the Adirondacks has to offer*  
Indian Lake, Blue Mountain Lake and Sabael together comprise the centerpiece vacationland of the Adirondack Park, a 6 million acre natural sanctuary of public and private land, which stretches over nearly a third of New York State.

**This national treasure stands today as the largest wilderness preserve outside of Alaska and is one of**

the most successful conservation efforts in history.  
Our region is within an **easy** day's drive of **most**  
major cities in the Northeast.

We're easy to reach. but once you arrive,  
you'll know you're in forever wild territory.

Thank you for visiting us **on the world wide web,**  
you are visitor # 10136 **since July 27. 2001**

Check out this site's index for comprehensive information  
on our area. We'll have more, so plan to stop by again! We  
look forward to hearing from you!
